The announcement which was made in the local papers a few days ago that same erroneous deductions and ideas of unnatural proportions, depending upon the body of the American Federation of Labor, will go to Ohio to take part in the political campaign, will not cause any consternation among the Republicans of that the formal of the same in the political campaign, will not cause any consternation among the Republicans of that the political campaign, will not cause any consternation among the Republicans of that the political campaign, will not cause any consternation among the Republicans of that the local papers a few days ago that same erroneous deductions and ideas of unnatural proportions, depending upon the ability to do things, on a given line would proceed in such manner as to the ability to do things, on a given line would proceed in such manner as to the ability to do things, on a given line would proceed in such manner as to the ability to do things, on a given line would proceed in such manner as to the ability to do things, on a given line will be ability to do things, on a given line would proceed in such manner as to the ability to do things, on a given line would proceed in such manner as to the ability to do things, on a given line would proceed in such manner as to the ability to do things, on a given line will be ability to do things, on a given line would proceed in such manner as to the ability to do things, on a given line would proceed in such manner as to the ability to do things, on a given line will be ability to do things, on a given line would proceed in such manner as to the ability to do things, on a given line will be ability to do things, on a given line will be ability to do things, on a given line will be ability to do things, on a given line will be ability to do things, on a given line will be ability to do things, on a given line will be ability to do things, on a given line will be ability to do things, on a given line will be ability to do things, on a given line will be abili

the Golden Rule.
In some of my Washington Herald letThe unhappy homes, jails overflowing

This statement shows a pitiable want of wrganization. Knowledge of human nature. The idea When Judge McCann delivered the that many persons—old and young, of biles at hands of reckless drivers, augmented by everyday press-heralded au-tomobile accidents, killing and mutilating people, should stand still feeling safe, ignoring the speed of passing, within engines, is unreasonable, extremely unan imposition on credulity than Mr. Trippe's other contention that "the police regulations require automobilists to

> Answering further, Mr. Trippe says: \* \* it only requires about seventy inches from curb for any one to stand who would be perfectly safe from injuries by a possing automobile, and if you will kindly consider the space between the street car and seventy inches from the curb \* \* you find ample room for the passengers to get on Let us see. South and east bound street

cars are intersecting at Fourteenth and U streets at 8:30 a. m. Twenty people from car to curb. The narrow space between car and curb is quickly filling with hurrying, skurrying, passage-interfering people, bent on street-car connections. A outh-bound, fast-following, honking automobile has deterred timid ones from leaving the car and curb. The automobile pushes through, parting passengers right and left, crowding part into the seventy-inch Trippe-provided space from curb toward car, and the other part into the seventy-inch Trippe-unprovided space houses. There are pauper resorts in every tween car and automobile, suffer torture in fear of being pushed forward on the passing automobile by the starting car. n turn to be forced back by the automo bile on the starting street car, which moved on with some who wished to get off as the east-bound car starts off, both leaving passengers they should have taken on. It is an exaggerated illustration covering an aggregate of happen ings one or more witnessed by me at difty-inch Trippe-alloted space, making about twelve feet for passengers of the with passengers' toes.

Mr. Trippe further says: \* \* if any one who does not know the right of way should get in the way of an operator doing his duty and demanding right of way and get hurt, the chauffeur or car owner should not suffer for it.

Operators' duty is doing right. Doing fere with perdestrians' right of way. liberately putting himself in danger takes

knowledge of the hunger at home and nakedness, but to do away with adulteration and excessive cost of foods.

The institution of national free food girl, sits to-day with folded hands are once they helped the home to keep will open up a great opportunity for men of the institution of national free food away with adulteration and excessive cost of foods.

The institution of national free food will open up a great opportunity for men of the institution of national free food will open up a great opportunity for men of the institution of national free food automobilists, and would asylum every the only feature of competition to which socialism offers objection. The trade unions have a tendency to mitigate the horrors of this competition for the necessive cost of foods. "Automobiles in themselves are harmless. Automobile nuisances are the portant tactics upon which they rely have of every true man and woman. for fame.

# The Safest Investments

Are those that do not fluctuate during disturbed conditions of the money or stock markets. First deed of trust notes (first mortgages), well secured on real estate in the District of Columbia, constitute "gilt-edge" investments. They do not depend upon the financial responsibility of individuals or corporations for their stability, and are exempt from taxation as personal property. We can supply such investments in amounts from the contract of the contract o We can supply such investments in amounts from \$500 upward. Send for booklet, "Concern-

## 178-90t Bond Bldg., 1408 N. Y. Ave. BREAK FISHING LAW.

Warden Captures Preacher and Justice of Peace.

Lancaster, Pa., Aug. 38 -- So many violations of the fish laws having recently aken place, Deputy Fish Warden Criswell lately put out his own dragnet, as the result of which a dozen well-known residents of Earl and East Earl townships were arraigned before Alderman Squirrier yesterday morning, and all had the fine and costs imposed.

Among the number was a Mennonite minister, Rev. J. S. Kurtz, who paid \$25 and the costs. Another of the parties arrested who is yet to be disposed of is found there.

Gov. Hadley, of Ohio. ordered troops into Burt Blank, of Terre Hill, a Justice of the peace.
